VICTORY TRAINING FOR HIGH SCHOOL GRADS

High school graduates will have an opportunity to join in the Victory Teaching Program now offered by the Department of Education of Ohio.

This will enable graduates to help keep the morale high at home and at the same time fit themselves for a useful career. High School principals are cooperating in urging selected students to enter this important field.

Provisions have been made to meet the current shortage of teachers by permitting graduates to take two summer sessions and one full year of training in a recognized college or university and be eligible for a temporary elementary certificate. Thus by enrolling in the summer session of

Tractor	-----	\$925
Breaking Plow	-----	150
Cultivator	-----	150
Corn Planter	-----	150

We are depending on the generosity of our alumni and friends to secure this equipment. Please send your check to Acting President, Ira D. Vayhinger, Cedarville College, Cedarville, Ohio.

SERIOUS TEACHER SHORT- AGE FACES OHIO SCHOOLS

An alarm has been sounded to all schools and colleges in view of the great need of teachers to fill positions in both elementary and high schools. So serious has this become that several hundred former teachers have volunteered to return to the class room.

Colleges and universities are working overtime to furnish refresher recourses and additional training to accomodate this group. Many elementary teachers are planning to take summer school work and advance to the high school field.

Much emphasis has been placed on the patriotic duty of high school graduates to enroll now to prepare themselves to take the places of men

Any four-year provisional certificate issued since January 1, 1939, may be converted into an eight-year professional certificate of like type and validity upon evidence of 24 months of successful teaching experience under the provisional certificate to be converted and the completion of 18 semester hours of additional training.

The eight-year professional certificate may be made permanent upon evidence of forty months of successful experience under the professional certificate and the completion of an appropriate Master's degree or the equivalent.

DRAMATIC CLUB

The most recent activity of the College Dramatic Club is the presentation of several scenes from the Shakespearian play, "Twelfth Night". In addition to presenting these scenes before the Dramatic Club, the group also appeared at the meeting of the Woman's Club at the home of Mrs. M. I. Marsh, on March 13. The students participating in the production were Lois Brown, Laurel Diltz, Wanda Hughes, and John Sanders, all of whom deserve much credit for their interpretation of the Shakespearian lines. Miss Glenna Basore directed the scenes.

DAY OF PRAYER

The annual Day of Prayer for Schools and Colleges was observed in a service held in the College Chapel at 10 A. M. on Friday, February 12. Rev. J. Reed Miller, pastor of the First United Presbyterian Church of Xenia brought a message of deep spiritual significance to the group.

The Junior and Senior classes of the Cedarville High School and several members of the High School faculty joined in the service.

FORMER TEACHERS ARE URGED TO CONTINUE

Former teachers who once taught on local certificates issued by local examiners must, if they desire to teach, submit evidence of the minimum preparation required by the new regulations of the Ohio Department of Education. This consists of two years of training in an elementary curriculum of an approved institution, including courses in methods, children's literature, management, educational psychology, principles of teaching and student teaching. Applications from such persons will not be approved unless the applicant has either taught, or earned at least six semester hours of credit in elementary education since 1935.

ANNUAL HOME COMING

The annual Cedarville College Homecoming was held Saturday evening, Feb. 13 in the Alford Memorial Gymnasium. There was a departure this year from the customary banquet. A basketball game between the varsity, coached by Robert Dorman, and an alumni team, organized by Paul Orr, was the feature of the evening. The varsity easily marked up a 58 to 35 win over the alumni. Following the game the guests enjoyed dancing and visiting after which refreshments were served. Mrs. Eloise Kling and Miss Margaret Hysell were faculty members in charge of arrangements. In spite of the wintry night there were about 150 guests present who pronounced the evening a very enjoyable one.

Joe West, '36, and Mrs. West, of Woodstock, Ohio, announce the arrival of a son, Joseph Stewart West, IV. Mr. West is a teacher in the High School.

Rev. Marion S. Hostetler, '32, was recently installed pastor of the Westminster Presbyterian Church in Salt Lake City, Utah. Rev. Mr. Hostetler will continue teaching Bible in Westminster College until the end of the present semester. In addition to these duties he is stated clerk of the Presbyterian Synod of Utah, and secretary of the Salt Lake Ministerial Association.

PRACTICE TEACHING

RENEWAL OF TEMPORARY CERTIFICATES

Those teaching under temporary elementary certificates this year (1942-43), may upon the request of the superintendent, and upon evidence of the completion of the required additional training, renew the same.

COLLEGE WOMAN'S BIBLE MEMORY CONTEST

The annual Bible Memory Contest for Cedarville College women was held on Sunday evening, March 7, in the Methodist Church. The decision of the judges was an unusual one in that Margaret Stormont, Jeanne Wright and Laurel Diltz all received the same score and were given first prizes. Lois Brown and Jean Ferguson secured the fourth and fifth places respectively. Other participants in the contest were Doris Williams, Sue Stapleton and Wanda Hughes.

Music for the occasion was furnished by the girls' choir directed by Mrs. Mildred Foster.

PROFESSOR HOSTETLER TO HEAD SUMMER SCHOOL

We are very fortunate in securing Prof. A. J. Hostetler, Director of the Department of Education of the College, to be the principal of and teach in the summer school.

His reputation as an educator is well known throughout the state. He brings to this task a wealth of teaching experience as well as school administration.

He will be supported by a tested faculty. This insures a very successful summer session.

Word has reached Cedarville that Prof. and Mrs. Roy Lanning, missionaries for 30 years, are being held as prisoners of war with 154 other Americans in Chefu Province, China. Prof. Lanning was a former teacher in the college, and Mrs. Lanning is a graduate in the class of 1912.

TWO SPEAKERS FOR COMMENCEMENT

Two outstanding speakers will feature the 49th Commencement of Cedarville College. Dr. William J. Hutchins, former President of Berea (Ky.) College, will deliver the Commencement address on Saturday morning, May 22 at 10 a. m.; and Dr. Ross Miller, minister of the Covenant Presbyterian Church, Springfield will preach the baccalaureate sermon on Sunday evening, May 16 at 8 o'clock.

For many years Dr. Hutchins was a member of the faculty of Oberlin Theological Seminary and is now connected with the Danforth Foundation of St. Louis. We welcome Dr. Hutchins to Cedarville because of his remarkable success as minister and educator; because of his long years with one of the famous self-help colleges in America and because of his intense interest in the small college.

Dr. Miller comes from a successful ministry in Springfield where he has achieved unusual success. Prior to his ministry he was of the faculty of Wittenberg College and hence knows both the academic and religious pulse of youth.

We are most fortunate in securing two men who will bring us messages of hope and inspiration.

COLLEGE FARM MAN- AGER ARRIVES

William A. Boyce, manager of the College farm, has arrived to take up his duties in preparation for the launching of the new self-help program. Farm activities began at once.

The farm committee has approved tentative plans for a crop rotation system modified, of course, by the present war effort. Full cooperation will be given to the plans of the government to provide maximum food production. Tentative plans call for a slightly larger corn and soybean acreage than formerly to replenish the shortage of meat.

The men of the college will be utilized to the fullest extent during the war emergency. After the duration it is planned to expand the farm facilities to provide work for all students.
